Features:

This DVI-D Male to DVI-D Male Cable is a high-quality cable that is designed to deliver uncompressed, high-definition (HD) digital signals to your HDTV or digital flat panel display for outstanding overall performance. Digital Visual Interface (DVI) is a video interface standard designed to maximize the visual quality of digital display devices such as flat panel LCD computer displays and digital projectors. DVI is a video-only standard, does not send audio. HDMI is fully backward compatible with DVI.

Specifications:

- High quality DVI to DVI cable
- Great Cable for HDTV, Projector, PC Monitor
- Gold plated for maximum signal transfer and corrosion resistance

- High-density polyethylene insulator for tight impedance control to reduce video ghosting.
- Dual Ferrite Cores to improve data transfer performance
- Connector Type: DVI-D(24+1pin) Dual Link Male to Male
- Gauge: 26awg. OD:9.5MM
- Supports resolutions up to 2560 × 1600 @ 60Hz
- Connector Housing: PVC
- Cable length: 20M
- Cable color: Black

Package Includes:

1 x DVI Cable
