Model : ATZ V21-21ST

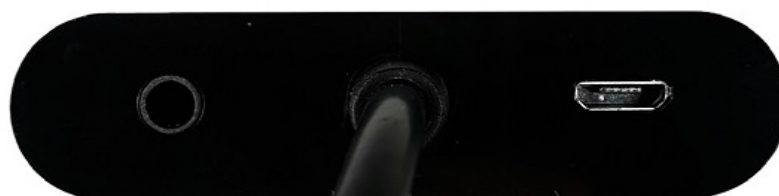

Description: VGA to HDMI+VGA Splitter w/3.5mm Audio Adapter

This VGA to HDMI+VGA Splitter with 3.5mm audio input offers a convenient solution for connecting from an analog VGA computer port to HDMI equipped devices. In addition, it supports VGA output simultaneously.

Features:

【Simultaneous Display】 This VGA adapter is a splitter that produces synchronous display function. VGA & HDMI output will only display the same content.

【Plug and Play】 No external drivers required. Easy operation and convenient use.

【Audio Output】 This converter will take audio signal from PC and embed it into the HDMI signal output, so that the user is able to enjoy both Audio+Video entertainment through HDMI cable.

【High Performance】 Full synchronization, clear colour and smooth picture. Stable and durable High Definition video transmission.

【Compatible resolution】

Supported max resolution, 1920x1080P/60HZ.

Support VGA input resolution from 800*600 to 1920*1080 for PC.

Package Includes:

1x VGA to HDMI VGA converter splitter

1x Micro USB power cable

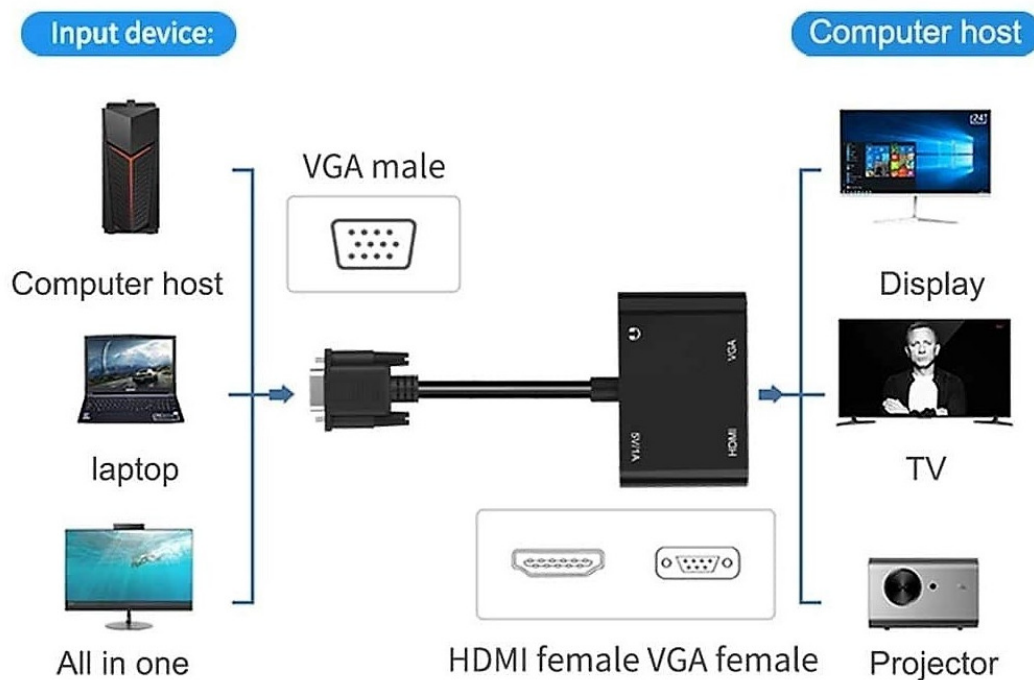

1x 3.5mm aux cable
